Emergency Contact Name

Emergency Contact Phone Number

The parent/guardian of the participating under 18 should read the following carefully and then sign where indicated.

Risks

Indoor bouldering is a fun physical sport, but like any adventurous activity, carries a danger of personal injury or death. I am aware of and accept these risks. Measures are taken to reduce the risks including soft matting but these measures **cannot guarantee safety. Any fall may result in an injury to the participant or others** and participants must follow the advice of the instructors to minimise the risks.

Conditions of Registration

If the participant has any sort of medical condition or pre-existing injury this may make it more likely that the participant is injured while bouldering. Please consult your doctor for advice about the extra risk involved.

If at any time the instructor considers the boulderer's behaviour to be a safety risk to themselves or others they will ask the individual to leave the session.

Permission

I confirm that I am the parent, guardian or adult responsible with the parent's permission for the participant. I have read and understood this document, I understand and accept the risks involved in the use of Boulder Brighton and I give permission for the above named under 18 to use Boulder Brighton whilst under the supervision of a Boulder Brighton instructor.
